1 curl in his hair, as well. Saw more of his arm
2 than anything else. He had his arm over the
3 steering wheel.

4 Q And then you said you saw someone come
5 out of car and run around the front of the car?

6 A. Correct.

7 Q And then where did that person go?

8 A. Ran up to the street, curb side, like
9 stayed in the street but right where the curb
10 met the street.

11 Q And were you looking at this person at
12 the point where he stopped in the street?

13 A. Correct, yes.

14 Q How much of him could you see, what
15 angle were you looking at him?

16 A. I'd say I could see him clearly from
17 his thighs up to the top of his head.

18 Q And was he facing towards you?

19 A. For brief moments, yes.

20 Q What did he look like?

21 A. Between five/eight and five/ten, at
22 best, somewhere in there, little -- what I would
23 consider a shorter male, very dark complected,

4 He had very high cheek bones and a very, very
5 large jaw, chin, very angular jaw. He was
6 wearing a black leather jacket and some blue
7 jeans.

8 Q Would you say you got a good look at
9 him?

10 A. Very, yes.

11 Q Was there anything between you and him
12 when you were looking at him?

13 A. No.

14 Q Was there a light anywhere nearby?

15 A. There was a Sun Times box to my left
16 that was attached to a light post.

17 Q What happened when the man stopped in
18 the street in front of you?

19 A. He opened up his jacket, and pulled
20 out a gun and started to spray the block with
21 bullets.

22 Q Which direction was he shooting?

23 A. He was shooting towards the gentlemen
24 who were selling marijuana and the three
